That the detainee committed said offense(s) in the manner and by the means as set forth and described as follows:

On the above listed date and time, officers were dispatched to New Life Church at 5900 Cherry Glen Rd. for an audible alarm with a live video feed of a male subject inside the church. Officers arrived on scene and had the facility manager of the church respond to let us in. After an initial search of the building, we were unable to locate a subject. The facility manager reviewed the cameras. Cameras showed officers were on scene minutes after the subject was in the building and it was believed he still may be inside hiding.

Officers began searching again and found an unlocked roll up window that lead to a locked kitchen area. A police K-9 was deployed into the kitchen to search it. The K-9 located S-Richard Perez hiding in bottom cabinets of the kitchen and apprehended him. A side window of the building was broken out and Perez admitted under Miranda to smashing the window with a brick to gain access to the church. The facility manager believed the cost to repair the window would be over \$1,000.

Perez was placed under arrest for PC 459 and PC 148. Perez was cleared at the hospital for a dog bite and then transported to the Solano County Jail to be booked.

SYNOPSIS: S-Richard Perez was arrested for PC 459 and PC 148 after being apprehended by a police K-9 inside New Life Church. Perez admitted under Miranda to breaking into the church. Perez was cleared at Vaca Valley Hospital and then transported to the Solano County Jail to be booked.

SOURCE OF ACTIVITY: Dispatched

INVESTIGATION: On 1/21/2018, I was working uniformed patrol in the City of Vacaville while driving a fully marked patrol vehicle. At approximately 0405 hours, I was dispatched to New Life Church located at 5900 Cherry Glen Road for the alarm going off with a male subject seen on camera inside the main building. Dispatch advised the subject was wearing a black jacket.

Officers arrived on scene and found both gates to the parking lot closed and locked. There were no vehicles in the parking lot. Officers, along with K-9 Officer Piro and his partner Roscoe, checked the entrances to the building. All doors were found to be secure. A phone charger plugged into an outlet on the exterior of the building and a box with chicken inside were found next to the doors on the west side of the building. It appeared if someone had recently been in the area.

Officers waited for the facility manager, V- [REDACTED] to respond with a key to the building. [REDACTED] stated no one should be inside the building especially due to no cars being in the parking lot. Officers cleared the interior of the building with the assistance of Officer Piro and his partner. Most interior doors leading to other rooms inside the building were locked. [REDACTED] began to review footage of the interior cameras. [REDACTED] was able to locate a male subject in a black jacket, later identified as Perez, walking through the building. Perez was seen going up and down the stairs several times at approximately 0357 hours. I asked Dispatch what time the first officers were on scene and they advised 0407 hours. I believed that due to the small time gap of when Perez was seen on camera and when officers arrived, Perez still may have been in the building hiding somewhere.

[REDACTED] advised if Perez walked into the restroom on the northwest side of the building he would be able to access the Early Childhood Development classrooms, which were locked. I checked the restroom and found the door leading from the restroom into the classrooms was locked. Officer Shaw checked a small roll-up window that led to a locked kitchen/food storage area directly to the east of the restroom. Officer Shaw opened the roll-up window and told Officer Piro and myself it was unlocked and accessible by jumping over the waist height counter. Officer Piro deployed K-9 Roscoe into the kitchen area to search it (refer to his supplemental report for more information).

I walked back into the camera room with [REDACTED] to check his progress of following Perez on the cameras. I heard Officer Piro and Officer Shaw giving commands to Perez to show them his hands. I ran into the kitchen area and assisted Officer Piro and Officer Shaw with taking Perez into custody. After Officer Shaw placed handcuffs on Perez, I noticed his hands were covered in Perez' blood. I told Officer Shaw to wash

his hands while I controlled Perez. Perez appeared to have puncture wounds to his left arm or hand from a dog bite. Officer Shaw and I walked Perez outside and placed him in my patrol vehicle.

Officer Piro told me he located a shattered window on the west side of the building leading into an Early Childhood Development classroom. Officer Piro advised he was going to read Perez his Miranda rights and interview him (refer to his supplemental report for more information). I went back inside and told [REDACTED] a shattered window was located. [REDACTED] and I went into the classroom with the shattered window and located broken glass all over the inside of the classroom. It appeared the window was broken from the inside. I did not recover any large rocks or other items that could be used to break the window.

I asked [REDACTED] how much he estimated it would cost to replace the window. [REDACTED] believed it would cost over \$1,000.00 to repair the window but would email me with an official estimate once one was obtained. [REDACTED] and I went into the kitchen area to look at the cabinet Perez had been hiding in. [REDACTED] told me it appeared Perez broke one of the shelves in the cabinet also but was unsure. I asked [REDACTED] if he knew Perez or if Perez had permission to be in the church during hours it was closed. [REDACTED] stated he did not know Perez and was unaware of Perez having any type of permission to be inside the closed church. I provided [REDACTED] with my contact information and a case number.

I transported Perez to Vaca Valley Hospital to get medical clearance. Medical staff did X-rays of Perez' left arm and found it was fractured. Perez was treated and cleared to be booked into the jail. Perez was transported to the Solano County Jail to be booked by Officer Love.

SYNOPSIS:

This is a supplemental report regarding the apprehension of S-Perez during a burglary at New Life Church.

SOURCE OF ACTIVITY:

On 1/21/18 at approximately 0359 hours, I was on routine patrol in full uniform and driving a marked Vacaville Police patrol unit. I responded to New Life Church, located at 5900 Cherry Glen Road, in response to an alarm activation. The alarm company reported to Dispatch that they had received an activation at the front entry doors in addition to viewing via a security surveillance camera, what appeared to be a male subject inside the lobby of the church. The subject was last seen walking out of view of the camera, toward the interior of the church.

INVESTIGATION:

I arrived on scene and quickly noticed that the driveway leading from the main road into the church parking lot had a large metal gate which prevented cars from entering or exiting. The gate was padlocked and secured in the closed position. Upon my approach to the church, I noticed there were no vehicles inside the parking lot. Officer Shaw, Crigger, Boehm and I established a perimeter around the church and conducted an exterior check. All exterior doors appeared to be secure, and I did not notice any immediate signs of forced entry.

I had Dispatch contact the alarm company once again to inquire if they had an agent that could respond to the church to provide entry, as well as provide any additional information about whether or not anyone had permission to be inside the church. Per Dispatch, W- [REDACTED] was contacted and advised that he would respond with an estimated time of arrival of 15 minutes. In the meantime, I had Dispatch transfer the alarm company to my cell phone so I could speak with him directly. I spoke with an employee of the alarm company and requested she attempt to play back video footage from exterior cameras at the church. Unfortunately, she indicated she did not have playback capabilities.

W- [REDACTED] arrived a short time later, and upon contact, introduced himself as the facility director. In speaking with W- [REDACTED], he told me no one had permission to be in the church at that particular hour. He also informed me that anybody with access to the church would have access to the parking lot, and their vehicle would be present.

W- [REDACTED] proceeded to show me a short video clip that was sent to him by the alarm company, which showed what appeared to be an unknown male subject walking inside of the interior of the church. The subject appeared to move rather slowly as if he was trying to be quiet and appeared to be surveilling the area. I asked W- [REDACTED] if he wanted officers to clear the interior of the church and he said yes.

Based on the evidence thus far, it appeared as though there was potentially a subject that had unlawfully gained entry into the church. I recalled other previous burglaries that had occurred at the same establishment and became concerned that a subject was there to commit a burglary. I am also aware that

churches often have high priced computer equipment, musical equipment, as well as other valuable property and money commonly stored inside. Based on my training and experience, subjects that commit burglaries are often armed with dangerous and deadly weapons ranging from screw drivers, knives, and even firearms. Because of this, I deployed my K-9 partner, Roscoe, to assist in an interior search of the church. W- [REDACTED] informed me prior to entering that most of the interior doors inside the church are left locked.

I entered the church through the main entrance and began to conduct a search of the interior. Several of the interior doors were locked, except for the bathroom and a few small rooms. After conducting a search of the first floor, I walked up the stairs with my search team and began a search of the second floor.

Upon completing the search, I reestablished contact with W- [REDACTED] and advised him that we did not locate anyone inside and requested that he review video surveillance to ascertain what, if anything, the potential intruder did before officers arrived on scene. W- [REDACTED] led me to a room on the west side of the church, which housed their surveillance systems and computer for the church. He began to review video surveillance, which showed an unknown subject walking through the lobby of the church at approximately 0358 hours. Officers arrived on scene a short time later at approximately 0407 hours. W- [REDACTED] told me his preliminary review of the video did not show the subject exiting the church.

W- [REDACTED] began to isolate the subject's movements by switching to different camera frames to track down exactly where the individual went. As he was doing so, Officer Shaw informed me that there was an unlocked roll-up metal door, just outside the office W- [REDACTED] was in. I exited the office and observed a metal roll up door that was elevated off the ground, about waist high and immediately recalled that we did not search that area. Upon rolling up the door, it revealed what appeared to be a room similar to a kitchen. The room was dark; however, from just outside of the metal roll-up door, it appeared to be visually clear. Rather than sacrifice the safety of an officer by sending him into an unsearched area that contained potential weapons, such as knives, I opted to deploy K-9 Roscoe to conduct an interior search of the kitchen.

K-9 Roscoe jumped over the counter and entered the kitchen and began to search the interior of the room. I quickly noticed that K-9 Roscoe began to bracket along the back wall of the kitchen where there were several cabinets. I announced inside if there was anybody in there to come out with their hands up and surrender to police. I did not receive any acknowledgement, and I continued to see behavior from K-9 Roscoe indicative that he was possibly "in odor." I climbed over the counter and entered the kitchen and tactically moved toward the cabinet area where K-9 Roscoe was showing significant interest. I reached over and pulled the handle of one of the cabinet doors open, and K-9 Roscoe immediately lunged inside and made contact with an individual. I pulled the cabinet door open wider and saw a male subject laying down inside with his hands close to his waistband. I became concerned at that point because he had not been searched, that he was potentially armed with a dangerous or deadly weapon. I shouted for the individual to show me his hands, and he immediately began to scream. I saw that K-9 Roscoe had made contact with his right forearm and quickly saw that the subject's left hand appeared to have nothing in it. At

that point, I provided K-9 Roscoe with a verbal command to release the subject. K-9 Roscoe released the individual and immediately came to a heel. The subject was ordered out of the cabinet and detained in handcuffs without further incident.

The subject, identified verbally a Richard Perez, was escorted out of the church and placed in the backseat of a patrol vehicle. I advised S-Perez of *Miranda*, to which he stated he understood. I asked S-Perez what had occurred, and he told me the following in summary:

S-Perez indicated that he was newly homeless and abandoned near the church by a female friend. He indicated that he was cold, so he decided to break into the church. He told me that he used a brick to break out a glass window on the side of the church to make entry. I asked S-Perez why he didn't come out when he heard us tell him, and he indicated that he wanted to just hide in hopes that we would go away.

After obtaining the above information from S-Perez, I conducted a more thorough check of the exterior of the building. I located a broken window on the west side of the building. I located a large stone on the ground which appeared to have used to break the window. I photographed the window and booked it into Evidence.com.

S-Perez was transported to Vaca Valley Hospital to obtain medical clearance for incarceration at Solano County Jail. S-Perez sustained a few puncture marks just above his right wrist as well as several small superficial scrapes on his right hand. His right forearm sustained a fracture which required a splint. Upon being medically cleared, S-Perez was transported and booked into Solano County Jail for 459 PC (Burglary) and 148 PC (Obstructing and Delaying a Peace Officer).
