

Tapac H. Chastain

Age: 46

Occupation: Information Technology

I am a Vacaville resident of 20 years and have had the privilege to raise a family in Vacaville. My wife is retired from law enforcement, and my son is a 2020 Vanden High School Graduate. I served Vacaville's community for 29 years working in the Public Works Department, Water Division, Streets Division, Collections Division, Central Garage, Purchasing/Central Stores and the IT Division. I have worked on multiple city projects and with all city government departments closely. District 6 has multiple large capital improvement and land development projects under way, Zoning issues, water quality issues, businesses in financial ruins, Educators/Travis School District struggling on how to get kids back in school are a few. Vacaville's citizens and businesses deserve and are in need of meaningful, dedicated representation on issues such as these. With knowledge gained over time and a profound respect for the voice of Vacaville's residents, I humbly request the opportunity to address the many issues that are going on and that Vacaville is facing. This two year position is a great opportunity to fix long term problems in a short amount of time.

Thank you for your time and consideration for the position of City of Vacaville City Council District 6.
