Although the City of Vacaville is currently on the Solano County Teeter Plan it is important to continue to actively pursue delinquencies in an effort to reduce the delinquency rates. NBS can assist the City by sending reminder letters to each of the delinquent property owners. NBS will continue to review the delinquency situation and provide delinquency reports after each payment date.

There are no foreclosure covenants for these districts as no bonds were issued to fund the acquisition or construction of any improvements. The funds collected from these districts are used to provide fire protection and suppression, ambulance services, and police protection services. Foreclosure covenants are only established when bonds are issued for the protection of the bond holders.

METHOD OF APPORTIONMENT OF SPECIAL TAX-SPECIAL TAX FORMULA

CITY OF VACAVILLE Community Facilities District No. 1 (Gonsalves-Lockie)

The special tax herein provided shall be used to help defray the annual costs of operating and maintaining a City of Vacaville fire station to be located within the Community Facilities District No. 1 (Gonsalves-Lockie) of the City of Vacaville.

The special tax shall be collected upon the general tax roll of the County of Solano and remitted to the City of Vacaville. The special tax shall be apportioned as follows:

The tax shall be collected initially at the rate of \$66.00 per single residential unit and collection shall commence in the fiscal year in which such unit first receives an occupancy permit from the City of Vacaville. For the purposes hereof, single residential unit includes single family homes, apartment units, townhouses and condominiums, located within the Community Facilities District No. 1 (Gonsalves-Lockie), a map of the boundaries of which is of record in the office of the County Recorder of the County of Solano, to which map reference is hereby made.

The tax shall be subject to annual adjustment based upon the San Francisco/Oakland Consumer Price Index (all urban) for the twelve-month period ending in April of each year. Such adjustment shall occur each year to allow for timely transmittal of any revision in the special tax to the Auditor of the County of Solano.

The maximum special tax on any single residential unit shall not exceed in any fiscal year the sum of \$66.00 as adjusted under the Consumer Price Index.

The maximum special tax shall be collected annually as specified above until both of the following events occur:

1. The fire station located in the Community Facilities District No. 1 is fully completed, equipped and staffed with fire-fighting personnel; and
2. A minimum of 1163 residential units within the Community Facilities District No. 1 have received occupancy permits from the City of Vacaville.

In the fiscal year first occurring after both of the above events, the special tax shall continue to be collected upon residential units existing and as they receive occupancy permits and shall commence to be collected upon the remaining lands within the Community Facilities District No. 1 at the same rate, as adjusted for Consumer Price Index variations, upon the remaining authorized, but unbuilt residential units. Authorized, but unbuilt residential units shall be computed on the basis of the total number of residential units authorized under the Gonsalves-Lockie Development Agreement executed by the City of Vacaville as of November 27, 1986, which total is 2325 units. Accordingly, after the happening of the two events specified above, the remaining undeveloped lands within the Community Facilities District No. 1 shall pay the special tax herein provided upon the remaining authorized, but unbuilt residential units.

The special tax shall continue to be collected so long as the City of Vacaville provides fire protection services for the Community Facilities District No. 1 or such earlier time as may be decreed by action of the City Council of the City of Vacaville.

- Second. Levy each Parcel of Taxable Property Proportionately up to the Maximum Special Tax Rate described in the following tables until the amount levied is equal to the Annual Special Tax Requirement for that Fiscal Year (or such lesser amount generated by the application of the Maximum Special Tax Rate to all parcels of Taxable Property)..

**TABLE 1

VI. INTERPRETATION OF RATE AND METHOD OF APPORTIONMENT

The Council reserves the right to make minor administrative and technical changes to this document that do not materially affect the rate and method of apportioning the Maximum Special Tax Rates. In addition, the interpretation and application of any section of this document shall be at the Council's discretion.

VII. MANNER AND DURATION OF SPECIAL TAX

The Special Tax shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided that the City may directly bill the Special Tax, may collect the Special Tax at a different time or in a different manner if needed to meet the financial obligations of the District, and may collect delinquent Special Taxes through foreclosure or other available methods.

A Special Tax shall continue to be levied and collected within the District to fund the Annual Special Tax Requirement in perpetuity.

VIII. REPEAL OF SPECIAL TAX

If the levy of the Special Tax shall be repealed by initiative or any other action participated in by the owners of the lots in a Tax Zone, the City shall cease to levy the Special Tax and shall cease to be obligated to provide the services for which the Special Tax was levied.
