Andrews Park Bridge

Under I-80

The City of Vacaville will be discussing a rare opportunity to construct a bike trail connecting the two halves of our beautiful city. The proposed path will connect Andrews Park with the Ulatis Community Center, following Ulatis Creek and crossing underneath I-80 by foot or by bicycle.

The presentation will take place at 6pm at Ulatis Community Center on May 25, 2022.

Those wishing to provide any public comment are welcome to attend.
