FIRST AMENDMENT TO DEVELOPMENT AGREEMENT BY AND BETWEEN THE CITY OF VACAVILLE AND FIVE PLUS, L.P. REGARDING THE DEVELOPMENT OF REAL PROPERTY COMMONLY REFERRED TO AS "MONTESSA"

THIS FIRST AMENDMENT TO DEVELOPMENT AGREEMENT (hereinafter the "First Amendment") is entered into this 7th day of February, 2018, by and between **FIVE PLUS, L.P.**, a California limited partnership ("Developer") and the **CITY OF VACAVILLE**, a municipal corporation ("City"), pursuant to the authority of Sections 65864 through 65869.5 of the California Government Code, and Division 14.17 of the Vacaville Municipal Code. City and Developer are also referred to hereinafter individually as "party" or collectively as the "parties."

RECITALS

This First Amendment is made with reference to the following facts:

A. On March 21, 2013, the Tage M. Kristensen Family Trust entered into an Amended Agreement of Limited Partnership for Five Plus, L.P. as a General Partner, with Carsten Kristensen, Anders Kristensen, the Nora Kristensen Family Trust, the Caroline Kristensen Trust, and Karl Hansen as Limited Partners. The Tage M. Kristensen Family Trust named Tage M. Kristensen as trustee with successor co-trustees that are willing and able to serve to assume the role upon a vacancy.

B. On September 8, 2015, Tage M. Kristensen passed away, and the Tage M. Kristensen Family Trust became irrevocable. Carsten Kristensen, Anders Kristensen, and Nora Kristensen are the acting co-Trustees of the Tage M. Kristensen Family Trust.

C. Pursuant to a written Delegation of Trustee's Powers to Co-Trustee of the Tage M. Kristensen Family Trust, Nora Kristensen and Anders Kristensen delegated to Carsten Kristen the authority to execute any and all documents necessary or appropriate in connection with the Tage M. Kristensen Family Trust's general partnership interest in Five Plus, L.P.

D. On August 23, 2016, the parties entered into an agreement entitled "Development Agreement By and Between the City of Vacaville and Five Plus, LLC Regarding the Development of Real Property Commonly Referred to as Montessa". The real property that is the subject of the August 23, 2016 Agreement (hereinafter "Agreement") is generally depicted in Exhibit A of the Agreement and more particularly described in Exhibit B of the Agreement. The Agreement was recorded on September 2, 2016 (Doc #201600075612). All capitalized words and phrases in this First Amendment shall have the same meaning as in the Agreement.

E. On June 9, 2017, the Developer submitted a request to modify the approved Tentative Subdivision Map for the Montessa Project for the purpose of decreasing the minimum lot width from 65 feet to 60 feet and increasing the residential unit count from 58 units to 61 units.

F. Subsection 12.D of the Agreement provides that the Agreement may be amended by mutual consent of the parties and that the Director of Community Development ("Director") is authorized to execute such amendments on behalf of City as an Administrative Amendment when the amendment does not relate to Term of the Agreement, permitted uses of the Project

Site, provisions for the reservation or dedication of land, the conditions, terms, restrictions and requirements relating to subsequent discretionary approvals of City, or monetary exactions of Developer.

G. The Director of Community Development has the authority to approve this First Amendment as an administrative amendment because a decrease in lot width and increase in unit count does not relate to any of the foregoing provisions of the Agreement because the terms, permitted uses, dedication of land, conditions, terms, restrictions and requirements will not be changed through this amendment.

H. Developer has secured Planning Approvals relating to the development of Montessa as amended by the modified Tentative Subdivision Map. These Project Approvals include, without limitation, the following:

- (1) Tentative Subdivision Map Modification. On October 20, 2017, following review and recommendation by the City Planner, and after a duly-noticed administrative hearing and reaffirmation of the previously adopted Mitigated Negative Declaration, the Director approved a Modification request to decrease the minimum lot width from 65 feet to 60 feet and increase the residential unit count from 58 units to 61 units (“Modification”) for the Tentative Subdivision Map for the Montessa Project.

I. Immediately prior to the approval of this First Amendment, the Director took the following actions:

- (1) Determined that the previously adopted Mitigated Negative Declaration adequately addressed this First Amendment and made the findings required by CEQA; and
- (2) After a duly-noticed administrative hearing, made appropriate findings required by Division 14.17 of the Vacaville Municipal Code that the provisions of this Agreement are consistent with the General Plan.

NOW, THEREFORE, in consideration of the premises, covenants and provisions set forth herein, the parties agree as follows:

FIRST AMENDMENT

This First Amendment is to incorporate into the Recitals and Vested Elements the modified Tentative Subdivision Map for Montessa, which granted an approval to decrease the minimum lot width from 65 feet to 60 feet and increase the minimum unit count from 58 to 61 units, and are declared binding and not subject to change except if specifically stated to the contrary elsewhere in the Agreement or this First Amendment. Redactions of the original language of the Agreement is shown as strikeouts and additions made by this First Amendment are shown by underline. Such strikeouts and underlines are only for the purpose of convenience and shall not affect the meaning or interpretation of the Agreement or this First Amendment, nor shall be construed to be shown with such strikeout or underline once amended by this First Amendment.
