Although the City of Vacaville is currently on the Solano County Teeter Plan it is important to continue to actively pursue delinquencies in an effort to reduce the delinquency rates. NBS can assist the City by sending reminder letters to each of the delinquent property owners. NBS will continue to review the delinquency situation and provide delinquency reports after each payment date.

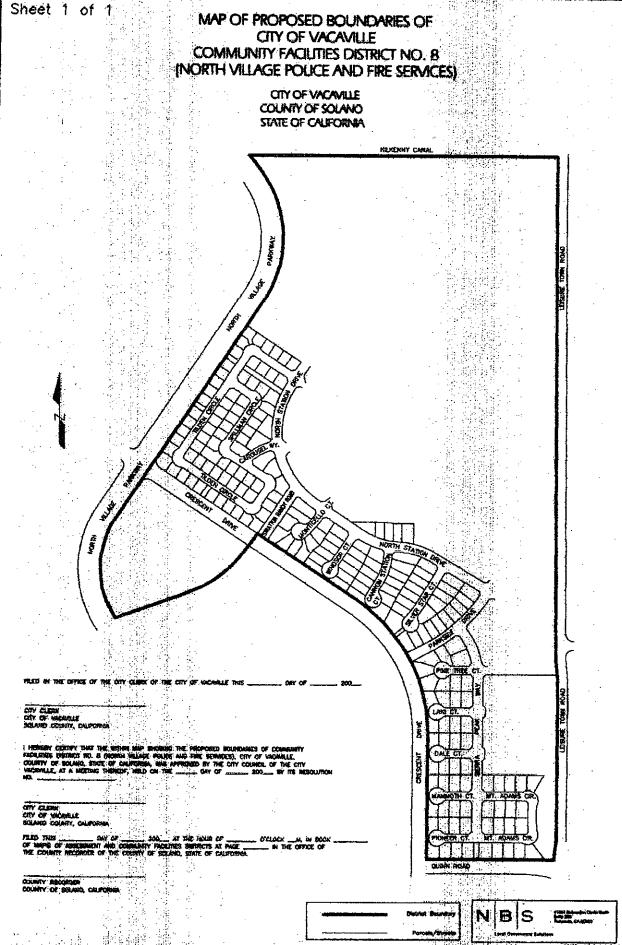

There are no foreclosure covenants for these districts as no bonds were issued to fund the acquisition or construction of any improvements. The funds collected from these districts are used to provide fire protection and suppression, ambulance services, and police protection services. Foreclosure covenants are typically established when bonds are issued for the protection of the bond holders.
