The Solano County Housing Authority (SCHA) exists to serve our community's housing needs using all resources available. Participation in the Department of Housing and Urban Development's (HUD) Moving-to-Work (MTW) demonstration provides the SCHA with the ability to make the best use of existing program funds to assist the City of Dixon, City of Rio Vista, and the unincorporated areas of Solano County's very-low and low-income residents to obtain safe, decent and affordable housing. The MTW activities planned are:

- *Reexaminations – SCHA transitioned to requiring reexaminations every 36 months for families in which at least 90 percent of income is from a fixed source.*
- *Self-Certification of Assets: The SCHA increased the value of family assets and anticipated asset income, when applicable. The SCHA will accept the family's self-certification from \$5,000 or less to \$50,000 or less. All assets valued over \$50,000 will continue to require 3rd party verification.*

	<ul style="list-style-type: none"> • <i>Tenant Rent policies – The SCHA increased the 40 percent affordability cap to 50 percent at initial lease-up in order to increase housing choice for low-income households. SCHA anticipates that this will increase low-income families’ ability to secure housing in low-poverty concentration and areas of opportunity.</i> • <i>Landlord Leasing Incentives – By combining the activities available under the Landlord leasing Incentives category, the SCHA will launch it’s Landlord Partnership Program (LPP) in March 2024. The LPP is aimed at expanding rental opportunities for families holding housing choice vouchers by making landlord participation in the program more attractive. The LPP will provide financial incentives to landlords who rent to housing choice voucher participants in the form of vacancy payments, damage claims funds, and additional lease-up incentives to landlords with new units.</i> • <i>Housing Qualify Standards – In conjunction with the LPP, the SCHA will conduct pre-qualifying unit inspections for landlords that are willing to participate in the program but have not yet identified an eligible tenant. Conducting pre-qualifying inspections supports the recruitment of new landlords and units as well as retaining existing units within the portfolio of available housing.</i>
