### SHOVEL READY PROJECT!

### SHOVEL READY PROJECT!

#### CURRENT CONDITIONS

- Narrow roadway, **accidents and injuries**
- NO pedestrian / bike facilities
- Peak travel delays, **congestion**
- Poor access to community services
- Unattractive and uninviting

#### PROPOSED IMPROVEMENTS

- Separated travel lane, **safer travel corridor**
- Wide, meandering ped/bike pathways
- Four lane parkway, increased freight movement
- **Promotes job growth and housing production** and improves transit access to health care centers, community college and Vacaville's Allison Drive Transit Oriented Development.
