PLANNING COMMISSION MEETING

CENTENNIAL PARK MASTER PLAN

- MEETING DATE:** November 5, 2024
- TIME:** 6:00 PM
- LOCATION:** City Council Chambers – 650 Merchant Street
- DATE OF NOTICE:** October 25, 2024
- PROJECT NAME:** Centennial Park Master Plan (File No. 23-136)
- PROJECT LOCATIONS:** 501 Browns Valley Parkway (APNs: 129-220-030, 129-220-040, 129-220-050, 129-220-080, 129-220-140, 129-220-150, 129-220-170, 133-070-300)
- APPLICATIONS:** Initial Study/Mitigated Negative Declaration and Major Design Review

PROJECT SUMMARY: The Parks and Recreation Department is requesting an Environmental Assessment and Major Design Review for the previously approved Centennial Park Master Plan. Centennial Park is located at 501 Browns Valley Road and comprised of 276 acres, which is partially developed (53.4 acres) with the Horse Creek Soccer Complex, baseball fields, tennis courts, a roller hockey court, a dog park, internal access roads, surface parking areas, and landscaping. On May 25, 2021, the Vacaville City Council approved the citywide Parks and Recreation Master Plan, which identified future development plans for Centennial Park. On August 2, 2023, the Parks and Recreation Commission adopted a more detailed Park Master Plan specific to Centennial Park, for the purpose of developing the remaining area within the park. In light of the Parks and Recreation Commission's approval of the Park Master Plan, the Planning Commission is now responsible for taking action on the Environmental Assessment and Major Design Review, which consists of determining whether the project would comply with previously adopted goals, policies, and standards in the California Environmental Quality Act (CEQA), Vacaville General Plan, and Zoning Ordinance. The programming and amenities have been previously approved by the City Council and Parks and Recreation Commission, and the scope of the Planning Commission's review at this stage is limited to (1) a decision on adoption of the IS/MND and (2) action on the design review process, in the context of the findings specifically set out in the Vacaville Municipal Code.

The Centennial Park Master Plan, as approved by the Parks and Recreation Commission, identifies new amenities at the park including an approximately 75,000 sq. ft. Community Recreation Center, dog park, bike skills course with a maintenance building and restroom, 18-hole disc golf course, multi-purpose recreation center and outdoor seating area, new lighted tennis courts, soccer complex expansion including a maintenance building, water play area, skate park, RC car track, basketball courts, ballfield maintenance building and restroom, event pavilion, pollinator garden, nature playscape area, volleyball courts, trails, picnic areas, and landscaping. Parking would be expanded from 380 existing spaces to 1,353 spaces at full buildout, which includes a separate parking area to the north at the Allison Parkway extension to serve the bike park.

On October 15, 2024, the Planning Commission held a public hearing to consider the Environmental Assessment and Major Design Review, and voted 6-0 to continue the project to a future date to allow staff more time to address concerns expressed by the public and Commission during the hearing, including: (1) traffic impacts; (2) impacts on existing wildlife; (3) project phasing; (4) consistency with the General Plan; (5) park category; and (6) safety. The project is being referred back to the Planning Commission at the November 5, 2024 meeting for final action.

ENVIRONMENTAL: Pursuant to Sections 15063 and 15073 of the California Environmental Quality Act (CEQA), the City of Vacaville prepared and circulated an Initial Study / Mitigated Negative Declaration to disclose project-related impacts on the environment. All impacts are anticipated to be less-than significant with the incorporation of mitigation measures.

DECISION MAKER: Planning Commission (Final Decision)
